

Engine Support

9TY611

- Easily supports the engine while removing the Transmission
- The rubber pad prevents sliding while operation, as well as prevent damaging for the surface of the load

KT NO.	Capacity (T)	Crossbeam length (mm)	N.W (kg)	G.W (kg)	CUFT	
9TY611-05A-B	0.5	1500	16	17	1.14	1/1

Engine Leveler

9TY621A

- Provides easy engine handling and positioning
- Tilts forward and backward for easy alignment

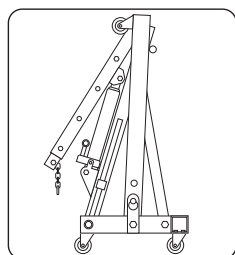

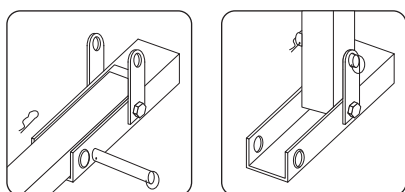

KT NO.	Capacity (T)	N.W (kg)	G.W (kg)	CUFT	
9TY621A-B	0.68	20.8	22	1.04	1/4

Engine Crane

9TY134

- Large hydraulic steel cylinder for safety loading
- Foldable body
- 4-holes position lifting arm provides 4 different loading capacity

9TY1341

9TY1342

• Low profile(80mm)

• 360 rotating handle

KT NO.	Capacity (T)	Lifting range (mm)	Length (mm)	Width (mm)	Height (mm)	N.W (kg)	G.W (kg)	CUFT	
9TY1341-01A-B	1	25-2040	1510	1015	1545	65	69.8	4.59	1/1
